To Whom It May Concern:

This is in response to the email request for Public Records made by Chris Peterson, Research Assistant, Center for Civic Media, Massachusetts Institute of Technology.

To my knowledge there have been no written or electronic complaints or challenges made to the Westborough Public Schools for removal, reclassification, or other reconsideration of publications including books, magazines, movies, websites, or other media from January 1, 2010 to present.

Sincerely,

A handwritten signature in cursive script that reads "Marianne O'Connor".
